Unlike many of the religions you are familiar with, Islam is a political and military system. It is not just a religion.

- The Qur'an teaches that "Men have authority over women because God has made the one superior to the other." (Qur'an 4:34)
- Islam allows men to marry four wives and have sex with slave girls. (Qur'an 4:3)
- "When a woman reaches the age of menstruation, it does not suit her that she displays her parts of body except this and this, and **he pointed to her face and hands.**" Muhammad (Sunan Abu-Dawud: Book 32, Number 4092)
- Muhammad says a woman is worth half a man's testimony because "of the deficiency of a woman's mind." (Sahih Bukhari: Volume 3, Book 48, Number 826)
- "Honour" killings are carried out on women by men who assume that their wives, daughters or sisters behave in a way which damages a man's "honour". (Amnesty International)
- Over 90% of married women report being kicked, slapped, beaten or sexually abused when husbands were dissatisfied by their cooking or cleaning, or when the women had 'failed' to bear a child or had given birth to a girl instead of a boy. (Pakistan Institute of Medical Sciences)
- Female genital mutilation is common in Iraq. (AINA)
